

Summer School 2023.24

For the Trafford School Entrance Exams, September 2024

Summer School 2024: an overview

Our term time preparation course comes to an end on Sunday 21st July 2024 leaving approximately two – three months until the exams.

In order to try to avoid the 'dip' of the summer break and maintain the good progress that children are making towards the September and October exams we strongly suggest a *little and often* approach with formal 11 plus preparations interspersed with rest, time with family and friends and all the wonderful opportunities the summer holidays offer children to learn and develop in other ways too.
